

Dan Schenck, a retired Elder in the Northern Illinois Conference of the United Methodist Church, has accepted the new position as Pastor Emeritus at the Poplar Grove United Methodist Church. Dan served in five different appointments throughout his ministry and did, in fact, serve this church in the late 90's and through June of 2004. Dan has been married to Cindy for almost 52 years. They have three adult children, 10 grandchildren and 2 great grandchildren.

When Dan accepted God's call to the ministry he vowed to serve God and the church in every possible way. He has found that calling applies even in retirement. Dan and Cindy make their home in Poplar Grove and are very happy to be serving the church in this capacity.
